

BABY BOTTLE CAMPAIGN

FOR THE CALGARY PREGNANCY CARE CENTRE

Sunday, May 14 - Sunday, June 18

Your change can
Change lives

Baby bottles filled with coins to benefit individuals coming into the Calgary Pregnancy Care Centre – that’s The Baby Bottle Campaign. It’s a simple idea with impressive results. Last year the Campaign brought in almost \$100,000 to support women and babies in our community with over 76 churches participating.

Help us reach our goal this year of \$135,000.

We will be kicking off the campaign on Mothers Day, May 14th, and collecting the bottles on Fathers Day, June 18th. We will do our best to take the work out of it for you.

It’s easy to do

We provide everything needed for the Campaign so that it’s simple for your church to make it a success! First, tell us how many baby bottles you will need. We supply the bottles, posters, and a video to kick off the Campaign. If you would like a representative to attend your service and speak about the centre, that can also be arranged. Once the campaign is over we will pick the bottles up and report back to you how much your church raised.

It gets the whole church involved in ministry together

The Campaign gets everyone in your congregation engaged in a practical, compassionate response to unplanned pregnancy and gives you a good chance to pray together for the families served at CPCC. Serve opportunities are also available for **small groups** to help us prepare the bottles for the Campaign.

It won’t negatively impact giving in your church

We understand that your church has regular financial obligations and commitments to the missionaries you support. The Baby Bottle Campaign doesn’t ask people to choose between giving their check to your church or to the Center; it just asks for their pocket change, giving them a chance to make a real difference in people’s lives without diverting funds from the good work you’re doing.

Please join this year’s Campaign!

Get started today: Contact Dean, Director of Operations at 403-269-3112 (221) or email info@pregcare.com to get signed up.
