Change lives

Weekly Announcements

Please customize these announcements with information specific to your church's Campaign.

Week 1

Your change can change lives through the Baby Bottle Campaign for the Calgary Pregnancy Care Centre. Help women facing an unplanned pregnancy find the hope needed to welcome their babies into the world. Pick up a bottle today and over the next 5 weeks fill it with coins, cash, or a cheque. Return it to the church by June 17, Father's Day. Alternatively, you can donate online at www.pregcare.com.

Week 2

When you give to the Baby Bottle Campaign for the Calgary Pregnancy Care Centre you're helping relieve financial and emotional pressures for hundreds of women facing unplanned pregnancy. If you didn't get your bottle last week, pick one up today, fill it with coins, cash, or a cheque and return it to the church by June 17, Father's Day.

Week 3

Women are turning to the Calgary Pregnancy Care Centre for free and confidential services such as: pregnancy testing, peer-counselling, practical support, as well as pre-natal and parenting classes. Your giving makes it possible to meet the Centre's growing needs!

Week 4

Giving to the Baby Bottle Campaign for the Calgary Pregnancy Care Centre helps provide support services through baby's early years. Please keep filling your bottle so that free services like parenting classes will be available for families who need them!

Week 5

Please return your baby bottle next week! The Baby Bottle Campaign for the Calgary Pregnancy Care Centre ends next Sunday. We will be collecting the bottles and returning them to the Centre. Your gift enhances the lives of women and babies in our community.

Week 6

Thank you for returning your baby bottles today so your change can start changing lives at the Calgary Pregnancy Care Centre! If you forgot, you can still return it to the church next Sunday.

Week 7

If you forgot to return your bottles last week, please return your filled bottles to the church as soon as possible, or donate online (www.pregcare.com).
